Chris and Nachel Tenbarga, Directors

Annie Jr. Audition Instructions

Be comfortable with all songs and lines in this packet.

You may be asked to sing a little or a lot on audition day, be ready!

You may do part of your audition as a group - we will pick the groups - and you may actually audition more than once.

About Callbacks

We will be doing callbacks on Friday, January 21st. We will try to notify all students being called back by Wednesday morning. If you are not called back, it does not mean that you don't have a significant role to play!!! We do call backs because there isn't enough time on audition day to do everything we want to do.

Rehearsals start February 1st
Dramapalooza is April 29th
Annie Jr. will open on May 5th, at 7pm
